

Full Lyrics to the Powerful Song

I am powerful
I am powerful
If someone says something mean
to make me feel bad
I take the bad feeling. I make it small.
I throw it far away
'Cause I'm powerful!

I am powerful
I am powerful
If someone says something mean
to make me feel sad
I take the sad feeling. I make it small.
I throw it far away
'Cause I'm powerful!

I am powerful
I am powerful
If someone says something mean
to make me feel scared
I take the scared feeling. I make it
small.
I throw it far away
'Cause I'm powerful!

I am powerful
I am powerful
If someone says something mean
to make me feel mad
I take the mad feeling. I make it small.
I throw it far away
'Cause I'm powerful!

I am powerful
I am powerful
If someone does something mean
to make me feel bad
I take the bad feeling. I make it small.
I throw it far away
'Cause I'm powerful!

I am powerful
I am powerful
If someone does something mean
to make me feel sad
I take the sad feeling. I make it small.
I throw it far away
'Cause I'm powerful!

I am powerful
I am powerful
If someone does something mean
to make me feel scared
I take the scared feeling. I make it
small.
I throw it far away
'Cause I'm powerful!

I am powerful
I am powerful
If someone does something mean
to make me feel mad
I take the mad feeling. I make it small.
I throw it far away
'Cause I'm powerful!

I am powerful
I am powerful
I am POWERFUL!!!
